

Ages 12+ Choose a building system. **Ages 14+**

Controller options

- Remote Controller
- TETRIX PULSE™ Robotics Controller
- LEGO® MINDSTORMS® EV3

Controller options

- Remote Controller
- TETRIX PRIZM® Robotics Controller
- LEGO MINDSTORMS EV3

Software options

- TETRIX Ardublockly and Arduino Software (IDE)
- EV3 Software

Software options

- Arduino Software (IDE)
- EV3 Software

Corresponding hardware

- 41549 Expansion Set
- 44320 R/C Robotics Set or 44322 Dual-Control Robotics Set
- 44321 Programmable Robotics Set or 44322 Dual-Control Robotics Set
- 44320 R/C Robotics Set plus 44590 PRIME and EV3 Component Set

Corresponding hardware

- 41979 Expansion Set
- 41990 R/C Robotics Set or 43054 Dual-Control Robotics Set
- 43053 Programmable Robotics Set or 43054 Dual-Control Robotics Set
- 41990 R/C Robotics Set plus 44354 DC Motor Expansion Controller, 44355 Servo Motor Expansion Controller

Available curriculum

- Expansion Set Builder's Guide
- R/C Robotics Set Builder's Guide
- 44465 Engineering Mobile Robotics Curriculum Pack
- 44591 Remote Control STEM Unit
- 44592 Autonomous STEM Unit
- 44593 Automation Manufacturing STEM Unit
- PULSE Programming Guide
- 44466 PRIME and EV3 Curriculum Pack

Available curriculum

- Expansion Set Builder's Guide
- R/C Robotics Set Builder's Guide
- 59793 Engineering Mobile Robotics Curriculum Pack
- 44587 Competition in a Box (recommended with 43054 Dual-Control Set)
- 43378 Coding Essentials Curriculum Pack
- PRIZM Programming Guide
