FLEX Furniture

FLEX: Classroom furniture with a reconfigurable design to meet the needs of a variety of learning environments

- High-quality alternative when space is limited
- Durable, lightweight trapezoid design allows for easy reconfiguration.
- Mobile device friendly
- Variety of collaborative learning environments available via quick furniture reconfiguration
- CNC-milled melamine/laminate construction made in the USA
- Variety of storage options available to store hands-on materials and provide additional standing workspace.

Like all other Pitsco furniture, FLEX is designed and built in Pitsco's own manufacturing facility with the same level of affordable quality our customers have enjoyed since 1989. Accessories are available to complement the various FLEX configurations.
